Duare Sarkar has been honored with the Platinum Award in the Public Digital Platform under the Digital India Awards 2022 by the Ministry of Electronics and Information Technology, Government of India.
- More than 69,000 schemes have been taken up in '**Paray Samadhan**'. More than 5 crore people have benefited.

## **Conclusion:**

Despite the central government's non-cooperation (*GoI has blocked nearly 1.71 lakh crore in 100 days work, rural housing, rural roads and other schemes*), financial difficulties, we have achieved this metamorphosis in every field of life - from agriculture to industry, education to health, village to city, farmer to worker, tribal to common class, minority to minority, student to student, youth to youth, hill to jungle, birth to death. This government is working for all people, regardless of caste, creed and religion and will continue to do so in the future.
